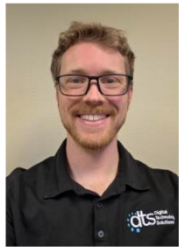
Meet Your DTS Team

Your dedicated account managers and primary points of contact

Justin Haack

IT Director

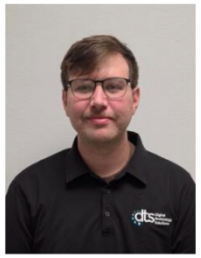
20+ years of IT experience including senior infrastructure engineering at one of Minnesota's largest MSPs. Expertise in server & SQL, backup/restore, migrations, performance monitoring, and patch management. Primary operational contact and account manager for TRPA.



Zachary Cupp

Sr. Network Engineer

Senior network & security engineer with deep expertise in next-gen firewall platforms and network architecture. Previously Lead Engineer at a Nevada MSP. Provides escalation support for firewalls, switching, network security, and server infrastructure.



Tyler Valdez

Tier 1 Technical Support

Front-line help desk support with experience in Windows enterprise environments, system connectivity, and enterprise application support. Previously worked in Reno's casino industry. Primary on-site support for TRPA public meetings.
