Strategic Planning Retreat and Work Plan Update

- Reviewed Regional Plan progress
- Reviewed the current environmental scan
- Proposed four Strategic Priorities to continue Regional Plan progress

Strategic Planning Retreat and Work Plan Update

Tahoe Living

Complete communities with integrated affordable workforce housing, stormwater infrastructure, and transportation systems.

Strategic Planning Retreat and Work Plan Update

Keeping Tahoe Moving

Integrated planning that focuses on visitor management, complete transportation systems, providing public services, and safety.

Strategic Planning Retreat and Work Plan Update

Restoration and Resiliency

Increase the pace and scale of Environmental Improvement Program to build climate resilience and accelerate threshold attainment.

Strategic Planning Retreat and Work Plan Update

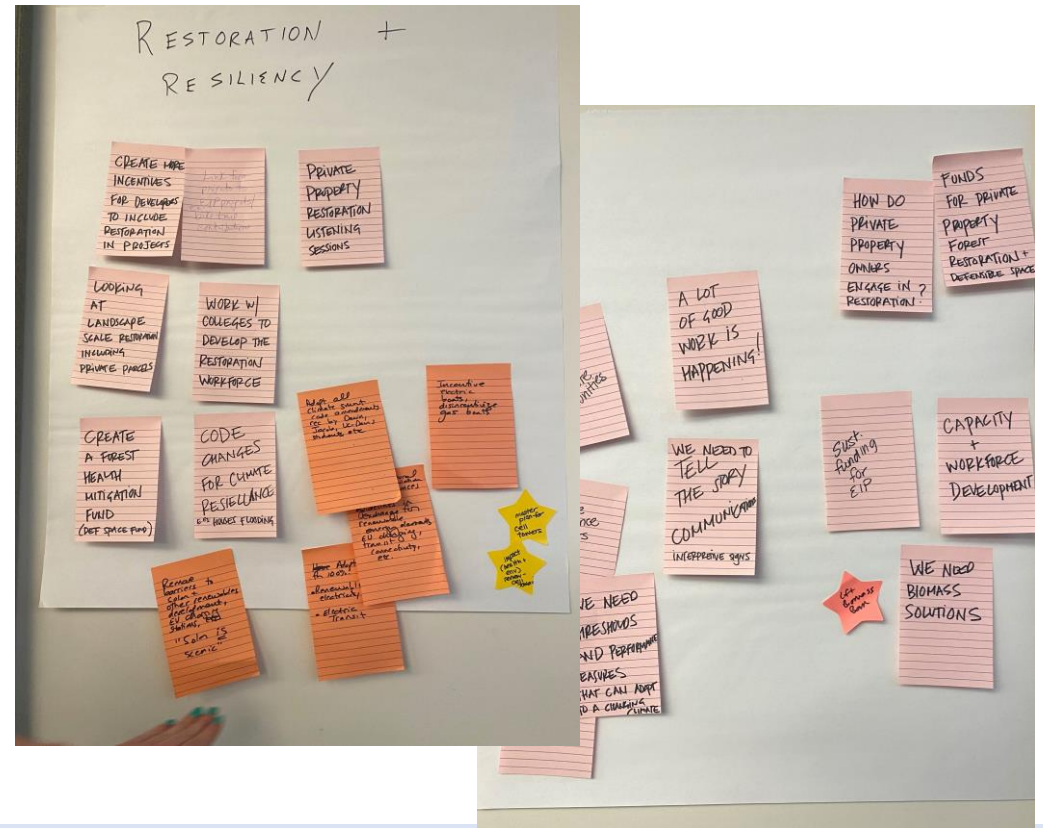

Measuring What Matters

Updating and adapting our thresholds, performance measures, and reporting to align with current needs.

NOW integrated into the three previous Strategic Priorities.

Feedback and Discussion

Strategic Planning Retreat and Work Plan Update

Next Steps:

- **Seek feedback and endorsement of Strategic Priorities**
- **Develop the FY24 Work Plan and budget**
 - Integrate core activities with Strategic Priorities
- **Refine our processes to align with the Strategic Priorities and workplan**
 - Engage the public effectively
 - Review board committee structure
 - Establish reporting and adaptive management processes
