STAFF REPORT

Date: August 18, 2021

To: TRPA Governing Board

From: TRPA Staff

Subject: Presentation of the City of South Lake Tahoe All Hazard Community Evacuation Plan

---

Summary and Staff Recommendation:

This item is for informational purposes and no action is required.

Background:

In May of this year, the Governing Board adopted a resolution in support of the Tahoe Fire and Fuels Team 2021 Wildfire Awareness Campaign, including a call for residents and visitors to prepare for wildfire through individual evacuation preparedness and planning.

Public evacuation plans led and managed by local law enforcement and emergency response agencies are just as critical to improve safety for all who live and recreate in Lake Tahoe's fire-prone communities. Knowing more about these plans will help TRPA staff and board members in their decision-making processes. This presentation has been requested by TRPA staff to provide the Board with an example of evacuation planning in the region.
