	<b>Total Funding Requested</b>		<b>\$405,601.00</b>

Background:

The City of South Lake Tahoe is requesting \$405,601.00 in Operations & Maintenance (O&M) Mitigation Funds towards the purchase of two new XBroom Street Sweepers. Sweeping city streets to reduce sediment on the road surface, and prevent fine particulates from being transported to Lake Tahoe, is critical to meeting TMDL pollutant load reductions.

Funding Match:

Operations and maintenance fund releases require a 1:1 local funding match. For this request, the local match funding source is the City of South Lake Tahoe General Fund.

City of South Lake Tahoe – Local Funding Match			
	Mitigation Funds	Local Match	Total Budget
CSLT General Fund		\$405,601.00	\$405,601.00
O&M Mitigation Funds	\$405,601.00		\$405,601.00
<b>Total</b>	<b>\$405,601.00</b>	<b>\$405,601.00</b>	<b>\$811,202.00</b>

The unencumbered account balance for the Operations and Maintenance fund for the City of South Lake Tahoe, as of February 29, 2024, is \$426,693.06, which is sufficient to cover this request.

Conditions:

Staff recommends approving the release of these funds subject to the following conditions of approval:

1. The City shall only use the funds for the project cited above and as approved by TRPA.
2. TRPA reserves the right to withhold funds to ensure project priorities, goals, and objectives are consistent with those of the Environmental Improvement Program and TRPA’s Regional Plan.
3. The City agrees to follow all laws, codes, and regulations adopted by federal, state, and local authorities/agencies.
4. The City agrees to maintain a report detailing the use and expenditure of all funds used on the project. These records shall be made available for review and audit by TRPA within thirty (30) calendar days upon written request.
5. All mitigation funds not used as described above shall be returned to TRPA. Upon written approval from TRPA, these funds may be re-allocated to another project.
