Importance: High

All:

I did not appeal. I would, however, like to reiterate my serious concern for safety in the small area involved. The Harrosh family has several boats, Johanssen pier will use the same space. I have enjoyed my property with access to the lake using the 20 foot strip that I own with Harrosh for 40 years. I continue to use my kayaks, as do my children and grandchildren. Increased pier activity will make it more difficult for our small, and I might add, environmentally friendly, vessels to enter the small area safely. In any way that I can I wish to make clear that I have serious concerns as to safety for all of us and request consideration on any level that I can use my voice.

PS to Sam, Sue and Mike. I could not find Gregg Lien's email address in the trail. I would appreciate if you could forward this email to him.

Thank you. Janice
