that these  
totals match  
what you  
entered in  
Table 1

Calculating Match:  
 NV Total Funds =  
 Federal/0.95  
 Total – Federal = Match

If asking for more  
than one funding  
source per phase,  
enter matches  
separately.

Unfunded Need total  
may, but does not have  
to, equal the request  
total.

Phase Milestones:	PE	R/W	CON or Program	
	Initial environmental documents have been completed. Will put out an RFP for PE and expect to award by end of 2024. Plan to start preliminary designs and environmental documentation Jan 2025. 60% PS&E documents by Sept 2025.	At this time, we expect the project to fully occur in the right-of-way and require no easements or acquisitions.	Will put project out to bid Feb 2026 and award by April 2026 to begin construction in June 2026. Construction is expected to take two grading seasons, with completion by Fall of 2027.	

Include status of all environmental documents, expected, or completed timeline of preliminary designs.

Include any information on easements and acquisitions required.

Include expected construction start date and end date, at minimum.
