Existing Funding Committed:	\$ 50,000	\$ 0	\$ 500,000	Committed Total: \$ 550,000
Unfunded Need:	\$ 500,000	\$ 0	\$ 250,000	Unfunded Total: \$ 750,000

Please check that these totals match what you entered in Table 1

Calculating Match:
 CA Total Funds = Federal/0.8853
 NV Total Funds = Federal/0.95
 Total – Federal = Match

If asking for more than one funding source per phase, enter matches separately.

Unfunded Need total may, but does not have to, equal the request total.

TOTAL Project Funding by phase	\$ 550,000	\$ 0	\$ 750,000	TOTAL Project Cost: \$ 1,300,000
Phase Milestones:	PE Initial environmental documents have been completed. Will put out an RFP for PE and expect to award by end of 2024. Plan to start preliminary designs and environmental documentation Jan 2025. 60% PS&E documents by Sept 2025.	R/W At this time, we expect the project to fully occur in the right-of-way and require no easements or acquisitions.	CON or Program Will put project out to bid Feb 2026 and award by April 2026 to begin construction in June 2026. Construction is expected to take two grading seasons, with completion by Fall of 2027.	

Include status of all environmental documents, expected, or completed timeline of preliminary designs.

Include any information on easements and acquisitions required.

Include expected construction start date and end date, at minimum.
