Application Filing Fee Schedule

Effective January 24, 2022

USING THIS SCHEDULE

This document is divided into schedules that represent all **major land use classifications** listed in the TRPA Code of Ordinances. For example, residential application fees are listed in Schedule “A” and commercial fees are listed in Schedule “C.” Every use or activity contained in the schedule is defined in either Chapter 21 or Chapter 81 of the TRPA Code of Ordinances; available online at www.trpa.org.

GENERAL NOTES

Fee caps are maximum fees that will be charged at application submittal, but which may be increased (after submittal) if actual costs can be reasonably and accurately calculated and exceed the fee cap amount. When the words **deposit account** follows a listed fee, the application is subject to cost recovery of TRPA’s actual costs associated with processing the application. For these applications, a deposit in the amount specified in the fee schedule must be posted at the time of application submittal. Additional deposits will be required when actual costs reach 90-percent of the deposit amount. Unused deposit amounts will be refunded to applicants.

New construction located in the **shoreland** area of Lake Tahoe may be subject to shoreland scenic review (and fee) in accordance with Chapter 36 of the TRPA Code. See Chapter 90 of the TRPA Code for the definition of “shoreland.” All applications in this schedule are subject to a non-refundable, information technologies (I.T.) surcharge, used to maintain and support the TRPA database. This surcharge is due upon application submittal and is in addition to the fees listed in the schedules herein but does not apply to Exempt or Qualified Exempt applications (defined in Chapter 2 of the TRPA Code).

CONSTRUCTION INSPECTION FEES

On larger Commercial, Tourist Accommodation, Public Service, Redevelopment, Resource Management, and Recreation projects where the cost of construction inspection services will exceed the amount included in the base filing fee, an additional construction inspection fee will be charged based on an estimate of the time required.
