To: TRPA Regional Plan Implementation Committee

Regarding Agenda Item: Washoe County Tahoe Area Plan amendment to add "schools-kindergarten through secondary" as a permissible land use as a special use within the Wood Creek Regulatory Zone for those parcels equal to or greater than three acres in size

Meeting Date: September 27, 2023

I strongly support the above proposal. Incline Village students and families would benefit tremendously by having a Christian school available within the community. Many families that I know choose to either homeschool or drive long distances out of the community to access Christian education. This change would support these and many other families.

Thank you for your consideration,

A handwritten signature in blue ink that reads "Jennifer Crawley". The signature is written in a cursive style with a large initial "J".
