Meeting ID: 812 1956 7177

## Meeting Goals:

- Provide update on overall project schedule and remaining milestones.
- Overview of project alternatives and summary of the preferred alternative.
- Orientation to the Draft EIS/EIS/EIR and its key findings.
- Share guidance on preparing effective comments.
- Seek Forum member's help in reaching out to the community.

**Note:** Non-Forum members in attendance will be invited to comment during key segments of the agenda. The public attendees are reminded that a public workshop is being held allowing broader participation in the overall process and that comments on the draft environmental document may be submitted June 10 – August 9 to:
