AN ORDINANCE AMENDING ORDINANCE 87-9, AS AMENDED, TO ADOPT  
AMENDMENTS TO CHAPTERS 34, 36, AND 38 OF THE TRPA CODE OF  
ORDINANCES TO REFLECT THE ADOPTION OF WASHOE COUNTY'S  
TAHOE AREA PLAN

The Governing Board of the Tahoe Regional Planning Agency does ordain as follows:

- | <u>Section 1.0</u> | <u>Findings</u>   |
|--------------------|---|
| 1.05               | The Tahoe Regional Planning Compact (P. L. 96-551, 94 Stat. 3233, 1980) created the Tahoe Regional Planning Agency (TRPA) and empowered it to set forth environmental threshold carrying capacities ("threshold standards") for the Tahoe Region.   |
| 1.10               | The Compact directs TRPA to adopt and enforce a Regional Plan that, as implemented through agency ordinances, rules and regulations, will achieve and maintain such threshold standards while providing opportunities for orderly growth and development consistent with such thresholds.   |
| 1.15               | The Compact further requires that the Regional Plan attain and maintain federal, state, or local air and water quality standards, whichever are strictest, in the respective portions of the region for which the standards are applicable.   |
| 1.20               | Compact Art. V(c) states that the TRPA Governing Board and Advisory Planning Commission shall continuously review and maintain the Regional Plan.   |
| 1.25               | In June 1987, the TRPA Governing Board adopted Ordinance 87-9, which established the Regional Plan and included, amongst other things, the Goals & Policies and the Code of Ordinances ("Code").  |
| 1.30               | It is necessary and desirable to amend TRPA Ordinance 2019-03, as amended, which ordinance relates to the Regional Plan of the Tahoe Regional Planning Agency (TRPA) by amending the Goals & Policies pursuant to Article VI(a) and other applicable provisions of the Tahoe Regional Planning Compact in order to accelerate attainment and ensure maintenance of the threshold standards. |
| 1.35               | It is necessary and desirable to amend the TRPA Code of Ordinances ("Code") to effectuate the amendments to the Goals & Policies pursuant to Article VI(a) and other applicable provisions of the Tahoe Regional Planning Compact.  |
| 1.40               | TRPA has made the necessary findings required by Article V of the Compact, Chapter 4 of the Code, and all other applicable rules and regulations, and incorporates these findings fully herein.   |

1.45 The Advisory Planning Commission (APC) and Regional Plan Implementation Committee (RPIC) conducted public hearings on the amendments and recommended adoption of these amendments. The Governing Board has also conducted a noticed public hearing on the amendments. At these hearings, oral testimony and documentary evidence were received and considered.

1.50 The Governing Board finds that the amendments adopted here will continue to implement the Regional Plan, as amended, in a manner that achieves and maintains the adopted environmental threshold carrying capacities as required by Article V(c) of the Compact.

1.55 Each of the foregoing findings is supported by substantial evidence in the record.
