

Tahoe Metropolitan Planning Organization
2017 Active Transportation Program (ATP) Augmentation
Metropolitan Planning Organization (MPO) Component

Attached is the staff recommendation for the Regional Grant Program 2017 ATP Augmentation MPO Component. There were three applications submitted for the program, requesting over \$702,000 in funds. The Regional Grant Program Evaluation Committee of five reviewed and evaluated the applications based on the ATP guideline criteria. The highest scoring application was recommended for funding through 2018/2019. Please note this is the staff recommendation only. The recommended project will not be final until the California Transportation Commission adopts the program at the January 30 Commission meeting.
