

# LINKING TAHOE: ACTIVE TRANSPORTATION PLAN

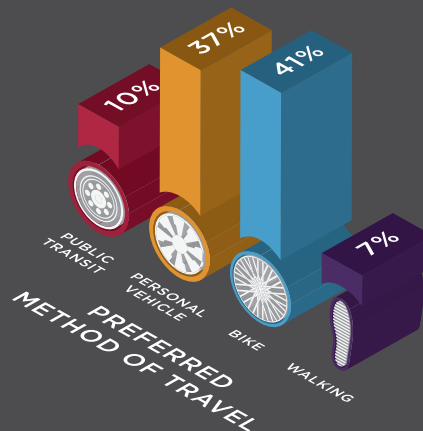

A toolbox for **planning, designing, constructing** and **maintaining** a regional active transportation network.

## The Plan Will:

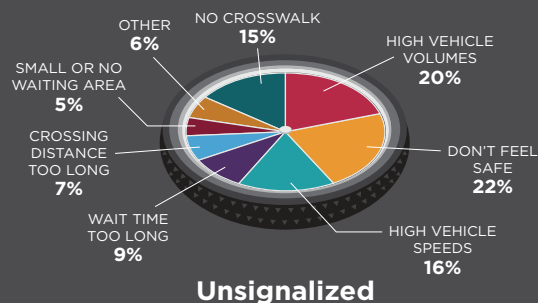

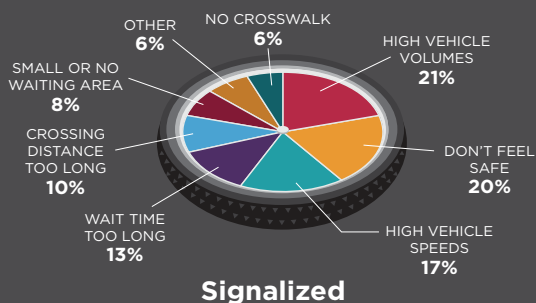

- Increase connectivity
- Improve safety
- Support consistent project implementation
- Increase encouragement and awareness

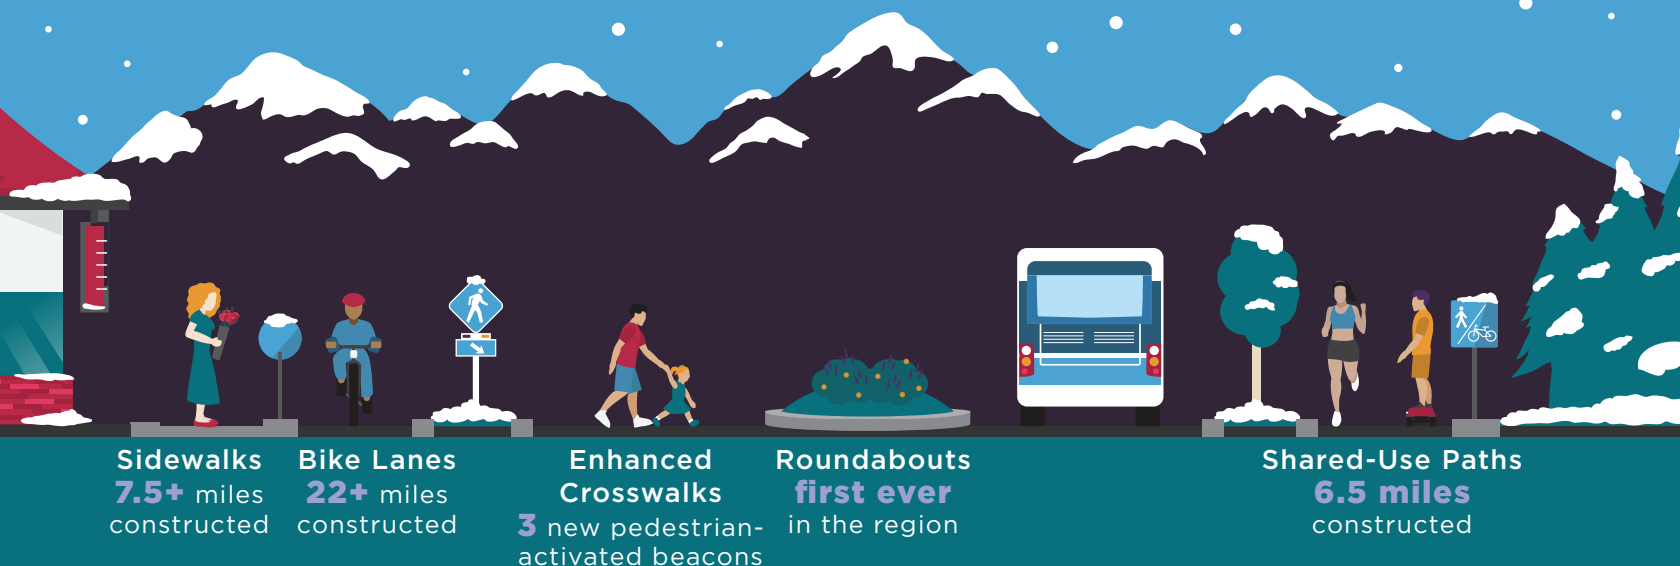

## We Heard Your Voice!

## REASONS FOR INTERSECTION IMPROVEMENTS

## What We've Accomplished Since 2010

## Proposed Improvements - By the Numbers

Future project enhancements have been identified by you! The Linking Tahoe: Active Transportation Plan proposes 85 miles of additional improvements.
