**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN  
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

**INDEPENDENT AUDITOR'S REPORT**

Board of Directors  
Tahoe Regional Planning Agency  
Stateline, Nevada

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Tahoe Regional Planning Agency (TRPA), as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise TRPA's basic financial statements, and have issued our report thereon dated December 10, 2019.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered TRPA's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of TRPA's internal control. Accordingly, we do not express an opinion on the effectiveness of TRPA's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of TRPA's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether TRPA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of TRPA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering TRPA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;  
REPORT ON INTERNAL CONTROL OVER COMPLIANCE;  
AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
REQUIRED BY THE UNIFORM GUIDANCE**

**INDEPENDENT AUDITOR'S REPORT**

Board of Directors  
Tahoe Regional Planning Agency  
Stateline, Nevada

**Report on Compliance for Each Major Federal Program**

We have audited the Tahoe Regional Planning Agency's (TRPA's) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on TRPA's major federal program for the year ended June 30, 2019. TRPA's major federal programs are identified in the Summary of Auditor's Results Section of the accompanying Schedule of Findings and Questioned Costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of TRPA's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about TRPA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of TRPA's compliance.

### ***Opinion on Each Major Federal Program***

In our opinion, TRPA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2019.

### **Report on Internal Control Over Compliance**

Management of TRPA is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered TRPA's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of TRPA's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance**

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of TRPA as of and for the year ended June 30, 2019, and have issued our report thereon dated December 10, 2019, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in material respects in relation to the financial statements as a whole.

**TAHOE REGIONAL PLANNING AGENCY**

**Note to the Schedule of Expenditures of Federal Awards**

**Year Ended June 30, 2019**

**(1) Summary of Significant Accounting Policies Applicable to the Schedule of Expenditures of Federal Awards**

Scope of Presentation

The accompanying schedule presents only the expenditures incurred by the Tahoe Regional Planning Agency (TRPA) that are reimbursable under programs of federal agencies providing financial awards. For the purposes of this schedule, financial awards include federal awards received directly from a federal agency, as well as federal funds received indirectly by TRPA from a non-federal agency or other organization. Only the portions of program expenditures reimbursable with such federal funds are reported in the accompanying schedule. Program expenditures in excess of the maximum reimbursement authorized or the portion of the program expenditures that were funded with other state, local or other non-federal funds are excluded from the accompanying schedule.

Basis of Accounting

The expenditures included in the accompanying schedule were reported on the accrual basis of accounting. Under the accrual basis of accounting, expenditures are recognized when incurred. Expenditures reported include any property or equipment acquisitions incurred under the federal program. TRPA elected to not use the 10% de minimis cost rate and obtained a negotiated indirect cost rate of 64.09% from its cognizant agency.

**TAHOE REGIONAL PLANNING AGENCY**

**Schedule of Findings and Questioned Costs**

**Year Ended June 30, 2019**

**(A) Summary of Auditor's Results**

1. An unmodified opinion was issued by the auditors on the financial statements of the auditee.
2. No material weaknesses or significant deficiencies in internal control over financial reporting were reported.
3. No instances of noncompliance which are material to the financial statements of the auditee were reported.
4. No material weaknesses or significant deficiencies in internal control over compliance with respect to major federal programs of the auditee were reported.
5. An unmodified report was issued by the auditors on compliance for the major programs.
6. The audit disclosed no findings required to be reported under 2 CFR 200, paragraph .516, of the Uniform Guidance.
7. The major program of the auditee was CFDA No. 20.505, U.S. Department of Transportation, Metropolitan Transportation Planning and State and Non-Metropolitan Planning and Research.
8. The dollar threshold used to distinguish between Type A and Type B programs was \$750,000.
9. The auditee met the criteria to be considered a low risk auditee, as defined by 2 CFR 200, paragraph .520, for the year ended June 30, 2019 for purposes of major program determination.

**(B) Findings Related to the Financial Statements which are Required to be Reported in Accordance with GAGAS**

There were no findings required to be reported in accordance with GAGAS.

**(C) Findings and Questioned Costs Related to Federal Awards**

There were no findings required to be reported under 2 CFR 200, paragraph .516 of the Uniform Guidance.

**TAHOE REGIONAL PLANNING AGENCY**  
**Summary Schedule of Prior Audit Findings**  
**Year Ended June 30, 2019**

There were no audit findings for the year ended June 30, 2018.
