SUBJECT: TRPA 2020 Regional Transportation Improvement Program

Ms. Bransen:

Tahoe Regional Planning Agency (TRPA) will not be submitting a new project for the 2020 State Transportation Improvement Program (STIP) cycle. TRPA's STIP County Share has been applied to the advance on the Kings Beach Commercial Core Improvement Project. We will continue to use future shares to pay down the balance advanced over the next couple cycles.

The Regional Transportation Improvement Program remains as is and all funds programmed in the document have been allocated as of October 2019.

If you have questions regarding this communication, please contact Judy Weber at (775) 589-5203.

Regards,

Joanne S. Marchetta
Executive Director
