SUBJECT: 2018 Regional Transportation Improvement Program

Dear Ms. Bransen:

The Tahoe Regional Planning Agency (TRPA) will not be submitting a new project for the 2018 Regional Transportation Improvement Program (RTIP) cycle. There are no changes to the 2018 RTIP, and the programming is staying as is.

TRPA's 2018 shares of \$2,014,000 have been applied to the over programming on the current RTIP project; Kings Beach Commercial Core Improvement Project. Placer County has completed construction on the project using local funds and is being repaid through an AB309 reimbursement over the next two years.

If you have questions regarding this communication, please do not hesitate to contact Judy Weber at (775)589-5203.

Regards,
