

EIS Conceptual Scoping Alternatives

RPIC Briefing

April 25, 2017

Working to Enhance + Protect 72 Miles of
Lake Tahoe's Shoreline

EIS Goals

- Analyze a reasonable range of project alternatives that are:
 - Feasible
 - Avoid or reduce environmental impacts
- Develop clear alternative descriptions to stay on schedule and within the budget

Conceptual EIS Alternatives

Alt. 1 – Shoreline Plan (Proposed Alternative)

Alt. 2 – Maximize Access

Alt. 3 – Primarily Public Access

Alt. 4 – Go Slower

Alt. 5 – TRPA Existing Shorezone Regulations
(No Project Alternative)

Next Steps

Issue the Notice of Preparation

Start the Scoping Process

- Governing Board in May
- APC in June

Start preparing the Draft EIS

RPIC Comments
