## STAFF REPORT

Date: July 15, 2020  
To: TRPA Governing Board  
From: TRPA Staff  
Subject: Year in Review of Environmental Improvement Program Activities and Projects

---

**Summary:**

The presentation will cover highlights of key environmental projects in 2019, activities of the Tahoe Interagency Executives Steering Committee, and funding developments relating to the Lake Tahoe Restoration Act and other revenue sources.

This item is for informational purposes and no action is required.

**Background:**

The Lake Tahoe Environmental Improvement Program (EIP) is an unparalleled partnership working to achieve the environmental goals of the Region. Local, state, and federal government agencies, private entities, scientists, and the Washoe Tribe of Nevada and California have collaborated for more than 20 years to restore the environmental health of Lake Tahoe. This landscape-scale collaboration is a partnership between nearly 80 public and private organizations region-wide. This presentation will cover progress made over the last year and program priorities for the future.
