TRPA is concerned for the health and safety of community members, our staff, and our Hearings Officer. Amid rapidly evolving circumstances, the agency must consider its obligation to continue work while doing our part to slow the spread of the novel Coronavirus. In addition to virtual technology being used for internal operations, TRPA will utilize technology to hold the August 27<sup>th</sup> Hearings Officer meeting.

Any interested member of the public will be able to participate and observe the meeting remotely without coming to a physical location. In-person attendance will not be part of the TRPA public meetings under the current recommendations from the state and local agencies. The staff report for this project will be available for review via TRPA.org seven (7) calendar days prior to the meeting.
