All items on this agenda are action items unless otherwise noted. Items on the agenda, unless designated for a specific time, may not necessarily be considered in the order in which they appear and may, for good cause, be continued until a later date.

All public comments should be as brief and concise as possible so that all who wish to speak may do so; testimony should not be repeated. The Chair of the Board shall have the discretion to set appropriate time allotments for individual speakers (3 minutes for individuals and 5 minutes for group representatives as well as for the total time allotted to oral public comment for a specific agenda item). No extra time for speakers will be permitted by the ceding of time to others. Written comments of any length are always welcome. So that names may be accurately recorded in the minutes, persons who wish to comment are requested to sign in by Agenda Item on the sheets available at each meeting. In the interest of efficient meeting management, the Chairperson reserves the right to limit the duration of each public comment period to a total of 2 hours. In such an instance, names will be selected from the available sign-in sheet. Any individual or organization that is not selected or otherwise unable to present public comments during this period is encouraged to submit comments in writing to the Governing Board. All such comments will be included as part of the public record.

“Teleconference locations for Board meetings are open to the public ONLY IF SPECIFICALLY MADE OPERATIONAL BEFORE THE MEETING by agenda notice and/or phone message referenced below.”

In the event of hardship, TRPA Board members may participate in any meeting by teleconference. Teleconference means connected from a remote location by electronic means (audio or video). The public will be notified by telephone message at (775) 588-4547 no later than 6:30 a.m. PST on the day of the meeting if any member will be participating by teleconference and the location(s) of the member(s) participation. Unless otherwise noted, in California, the location is 175 Fulweiler Avenue, Conference Room A, Auburn, CA; and in Nevada the location is 901 South Stewart Street, Second Floor, Tahoe Hearing Room, Carson City, NV. If a location is made operational for a meeting, members of the public may attend and provide public comment at the remote location.
