

# Preliminary Theme 1 – Modified Version of Proposed Action

1. What do you think about an alternative with a pier but no ramp?
2. Is the pier in the best location?
3. Should there be an alternative with a pier at the southern end?
4. What do you think about the relocation of the cabins on the northern end?

# Preliminary Theme 2 – Provide or Retain Partial Marina Infrastructure

1. How many slips should the marina accommodate?
2. If the marina is not feasible, should this alternative maintain the boat ramp?
3. What do you think about the bike and pedestrian paths?
4. Are you supportive of the additional day use parking and campsites?

# Preliminary Theme 3 – Non-Motorized Access Emphasis

1. Do you support increasing the size of the campgrounds?
2. Do you support relocating the road, parking, and campground on the south side?
3. Do you support the non-motorized launch ramp?
4. Should this alternative include a pedestrian-only pier?
5. Are there other features that should be included in this alternative?
