

# HEAVENLY MOUNTAIN RESORT EPIC DISCOVERY PROJECT

## Master Plan Amendment

TRPA  
Regional Plan Implementation Committee  
March 25, 2015

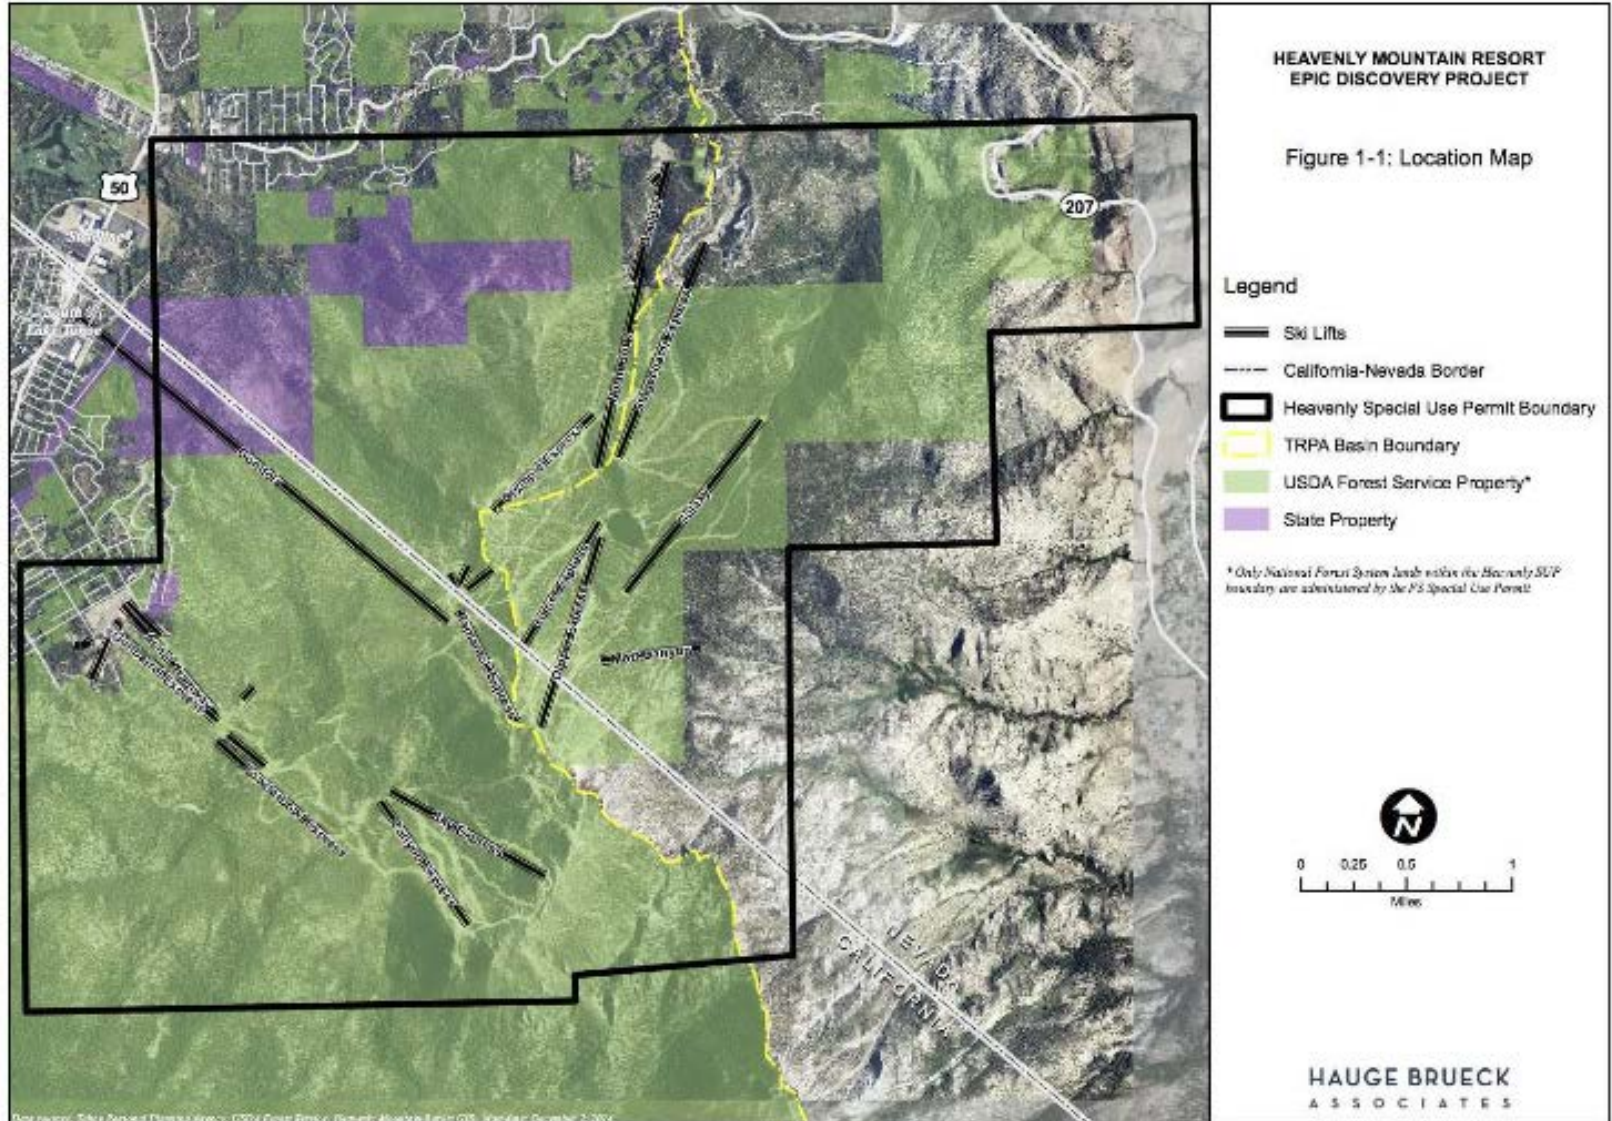

# Presentation Outline

- Review RPIC Role
  - Recommendation to GB for the Regional Plan (Heavenly Master Plan) Amendment
- Recap February's Informational Presentation
- Heavenly Master Plan Amendment Details
- Questions

# RPIC Role

- Review Proposed Master Plan (Regional Plan) Amendment
- Make Recommendation regarding Approval to GB

# Purpose and Need

- Change recreational opportunities in response to changing visitor preferences
- Adapt to an economic climate that no longer relies solely on winter recreation
- Expand year round recreational opportunities w/in developed portions of ski area pursuant to the Ski Area Recreational Opportunity Enhancement Act (SAROE) adopted by Congress 2011

# Recreational Opportunities

- Greater Access to forested mountain environment for different skill levels
- Range of activities, including adventure and thrill-based experiences appealing to multi generational groups
- Expanded year round non-ski/ride recreational opportunities and interpretative programs
- Benefit to Recreational and WQ Thresholds

# Proposed Action

- Amend the Regional Plan (HV MP)
  - Revise MP Section 3.3 (Summer Uses)
  - Revise MP Table 3-5 describing new summer/year-round activities
  - Revise MP Chapter 7 (Mitigation Monitoring Plan)

# Questions
