Summary of Goals, Policies and Implementation Measures

Pathway Vision Statement: In 2027, the Lake Tahoe Basin is an exceptional place where communities thrive in harmony with the natural environment. The overwhelming presence of nature is apparent. The Lake is blue and clear, the air is clean, the region’s ecosystem is healthy, and natural sounds evident. Within communities, the economy is strong and sustainable; the population diverse and vital, the richness of everyday life is obvious. Based on mutual respect and the integration of human and natural communities, a balance exists that inspires and motivates residents, businesses, visitors, and governments alike to work together to maintain the Lake’s value as a national and international treasure. Lake Tahoe is a truly unique and special place.

Pathway Desired Conditions:

SR.DC-1

Scenic Resources: Scenery viewed from Lake Tahoe and the Basin's major roadways, public recreation areas, trails, and urban centers predominately displays natural appearing forest, meadows, mountains, and the shoreline of Lake Tahoe. Development, where visible, complements the natural setting.
