JAVA WITH JOHN – TRPA’S EXECUTIVE DIRECTOR BREWS UP A NEW BLEND OF MORNING MEETINGS AT LAKE TAHOE

(Stateline, NV)- June 9, 2005 – Starting this summer, the Tahoe Regional Planning Agency’s Executive Director, John Singlaub, will be hosting a series of morning coffee sessions around Lake Tahoe to discuss pertinent issues facing various communities. “Java with John” invites residents to attend the unique hour-long coffee sessions scheduled at various coffee shops around the Basin.

“In my first year at TRPA I’ve heard an overwhelming desire for the Agency to communicate more about Lake Tahoe’s environment. I’m looking forward to sitting down with members of the community in an informal setting and hearing what concerns and ideas they have,” said Singlaub. “And what better way to do that than over a cup of coffee.”

The first “Java with John” meeting is scheduled for Friday, July 15 at 7:45 am at Sunnyside Resort on Highway 89 in Tahoe City, CA. The next “Java with John” session will be held at 7:45 am on Friday, July 29, at Not Just Java in Roundhill, NV located at the Roundhill Shopping Center on Highway 50.

The Tahoe Regional Planning Agency cooperatively leads the effort to preserve, restore, and enhance the unique natural and human environment of the Lake Tahoe region now and in the future.
